

**Item no.:** 1100xx

**REF**

**Description:** Nelaton catheter  
Closed tip, 2 eyes

Pos.	Description	Material
01	Catheter	Polyvinylchlorid e (PVC)
02	Funnel	Polyvinylchlorid e (PVC)

Latex-free 

**Application:** Urinary bladder   
Single use only

**Testing:** DIN EN 1616

**Biocompatibility:** DIN EN ISO 10993-1

**Classification:** Medical product according to 93/42/EWG,  
Class: **Is**  
Application: Transient

**Softener:** DEHP-frei 

**Packaging:**

DIN EN ISO 11607-1+2

Sterile packaging  
Secondary packaging  
Transport packaging

PA/PE, med. paper  
Inner Packaging  
Carton (packing unit)

Do not use if packaging is damaged

**Sterilization:**

Ethylene oxide (cycle MPo6)  
DIN EN ISO 11135

**STERILE EO**

Do not resterilize

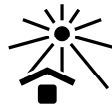

**Shelf Life:**

5 years

**Information for storage:**

Protect against sunlight

Protect from moisture

**Order information:**
